

If someone's had/is having Mental Problems they have to be progressed spiritually (i.e. developed mentally) and they may/will have demonstrated AMAZING ABILITY(IES). ([Ask them!!](#)) < *highACHIEVER*. * >

MAJOR INITIATIONS are **two component** i.e. a **Physical Component** (e.g. 3 day experience in the 'whale' for 1st Major Initiation and the 'near death' experience for 2nd Major Initiation) and a **Spiritual Component** (presumably conducted by a disincarnate entity – Black Elk for me, a then-deceased native American). The number assigned to the Mistress/Master of the initiation is a Triple Number – i.e. for the Master/Mistress Arhat the number is "222". [Janine "The Machine" SHEPHERD](#), in the "Australian Story" television programme, had the number 222 as her Little Athletics number. Also she competed in a snow-skiing event with the [number 106](#) ‡ [click on the Taking Flight programme link and position at the 5:42 time] – 106 is a cole off the 'Number of the Kumeras' – '105', according to AA BAILEY (i.e. the same number).

‡ In numerology one integer greater than or less than is counted as the same number. So the Number of the Kumeras, 105, is the integer/number block 104, 105 and 106.

Also the MAJOR INITIATIONS have Mistressship and Mastership of the initiation where Mistresses and/or Masters educate and prepare (by fasting meditating, etc. – for a period of 40= days) the neophyte for the **Physical Component** of the initiation as well as actually conducting this test. The normal requirement that two Mistresses/Masters co-operate to initiate the neophyte, with the example being the single person Simon/Peter and the single person Saul/Paul taking the neophyte Jesus up on the Mount of Olives, may be able to be reduced to one if that single Master/Mistress is powerful enough to hold the neophyte in the depressed state for long enough! The two mistresses who initiated me were Beryl STARR, from the Wollongong **Christian Spiritualist** Church, and her mentor.

– 40 is known as the [period of initiation](#)

Beryl invited me to come to her circles but I was too mentally weak – I'd only picked up a few days before she gave me the reading of, "[Having to cross a desert.](#)" Beryl's mentor I believe participated with her to subject me to the Physical Component of the 3rd Initiation (Shaman). Beryl told me that her mentor became very sick and recovered by telling me, "[She felt like she was 22 again.](#)" Beryl was telling me that her mentor was initiated as an Arhat (4th Initiate). Before this I'd participated in a seminar conducted by Denise LINN and I'd been given the Admission Ticket (master) number 11. Denise had been shot in the stomach and survived (i.e. a near-death experience). When I told Denise that I'd had a dream involving a buffalo she took quite an interest in me! Beryl seemed surprised when I mentioned the phrase 'the third veil' to her!

God ordered Jonah to travel to Nineveh to deliver **God's** message (about conquest – it's religion remember), and **Jonah travels** in the near-opposite direction in a ship, [goes below deck to sleep](#) (last sentence 2nd paragraph) and the waves increased. Going below deck is an allusion to the lower manic mind (c.f. the Last Supper in the 'upper room' or 'Higher Self'/Upper Manic Mind or Body). The "big fish" (understood to be a whale) that swallows him and later disgorges him onto dry land is a classic 'death/rebirth archetype' as what occurred to that woman lost in the hinterland west of Innisfail recently. The day before her ordeal ended she said that she was dying - [dying to an old self](#). When she was walking to the unoccupied car she found a hessian sack to cover her nakedness as her clothes had been torn from her body in this 17 day ordeal. Being naked is another classic [rebirth indicator](#) – we are all born naked. The fishing hole her husband was at was [Golden Hole](#) (2nd paragraph of article - in Alchemy the [rubedo stage](#), or stage signified by the colour gold, is the [initiatory phase](#)). Also at the commencement of her ordeal she climbed an escarpment or mountain (there's a number of 'Hill Climb Derbies' in the Bible), to get away from the crocodiles and it was emphasised how dangerous [crocodiles](#) are. (The crocodile is one of about 10 initiatory animals according to author Mircea ELIADE - see file <4_RitesSymbolsInitiation.docx> - the last line of page 1.)

I remember the circumstances of my "Birth of Christ in the heart" (chakra) – 1st Initiation. I painted myself on a white horse wearing a white robe. When it came time for me to describe what I'd painted I told my psychologist, the senior supervisor of the Art Therapy Class, "I know I'm not Jesus – but its like I'm him." [She froze!](#) I have an idea that two initiators need to be (normally) present at the Minor Initiations too!
