Psychosurgery *Improvements?*

In late October it was announced that WA would be lifting their psychosurgery ban from 14 to 16 years of age. (Originally it was proposed to be 12 years of age). The draft bill containing this is now on the official agenda in WA Parliament to be debated. It could now be debated as early as mid Feb 2014 when Parliaments re-convenes after the Xmas and New Year period. Thank you to everyone who has taken action over what is now many years to get improvements in this area in WA. Please do continue to do what you can so that it can be **completely banned for all ages as it is in NSW and the NT**. – <http://www.perthnow.com.au/news/western-australia/wa-government-memo-shows-electro-shock-therapy-laws-to-go-ahead/story-fnhocxo3-1226738867248>
